### Hans Willemsen appointed new CEO Scheuten Solar

Dutch manufacturer of solar panels and systems Scheuten Solar is today announcing the appointment of Hans Willemsen as new Chief Executive Officer. Hans Willemsen will be officially appointed on 15 September. He succeeds Frans van den Heuvel, who is stepping down as CEO.

Hans Willemsen is no stranger to the world of solar energy. From 2004-2007 he was responsible for Shell Solar. Until recently he was active within this company as VP for Shell Clean Coal Energy in Asia.

Together with Scheuten Glas, Frans van den Heuvel set up Scheuten Solar as a division of the Scheuten Group in 2000. Under his leadership, over the past decade Scheuten Solar has expanded to become a successful international business in the field of solar energy.

- END -

*Scheuten is a leading and fast growing international high volume manufacturer of total solutions in glass and solar energy systems with its head office in Venlo, The Netherlands. Scheuten employs a staff of over 2000 and achieved a turnover of 407 million euro in 2009.*

*Scheuten Solar is a global player in designing, manufacturing, distributing and applying photovoltaic solar modules.
